

Installing the Rater Bridge

Download the Bridge

Once you've clicked the link to the bridge above, please follow these instructions to install. If you experience any issues with the download process, please contact your marketing representative or dial **(877) 754-9532**.

Bridge instructions for ALL PRODUCTS

- STEP 1 – Select your rater from the drop down list

Continental Bridge Client Installation

Choose your state and rater and click the download button...

State

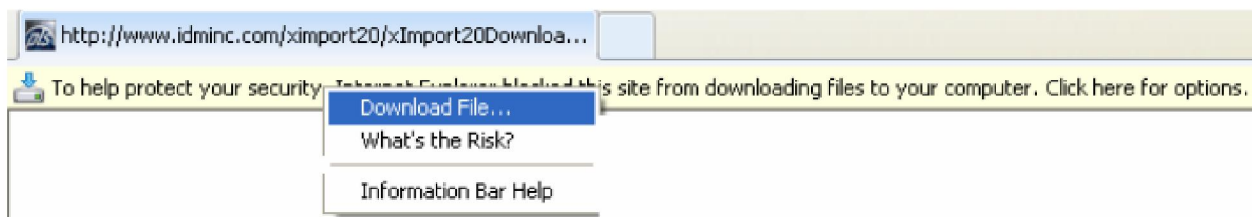

Comparative Rater

- STEP 2 – Download File
Depending on your version of browser, you may receive a prompt to continue to download and/or run. Ideally, select the affirmative to RUN immediately. If you prefer to download first, select download and run from your computer.

You may see

OR

- STEP 3 – Installation
If presented with any security prompts, simply answer in the affirmative by clicking either RUN or YES, depending on the security prompt, to continue through the installation.
